RUIXU Lithi2-16 | 51.2V 314Ah | 16kWh Outdoor Battery Storage | UL1973 UL9540A. Top Authorized Dealer Manufacturer Warranty Included Customers rate us 4.8/5 based on 316 reviews. SKU Lithi2-16 % % Original price \$3,399.00 - Original price \$3,399.00 Original price. \$3,399.00 \$3,399.00 - \$ ...

This 51.2V 314ah LiFePO4 battery has built-in 100A BMS to protect it from overcharging, over-discharging, over-current, overheating and short circuits with excellent self-discharge rate, ...

I picked up my Ruixu 16kWh battery today. It was really simple to set up and get working with my EG4 6000 XP. It took about an hour to get it unloaded out of the back of the truck (300+ lbs!), unboxed (heavy duty plywood crate), and connected in place of the Power Queen batteries that were previously running my house.

16kwh vertical lithium battery system is home solar battery system, With 16 kwh power 48v 314Ah (51.2v 16S LiFePo4 cell). Built in solar inverter BMS, long lifespan, and flexible expansion options. Perfect for off-grid solar solutions.

The latest innovative Lithium Iron Phosphate battery from RUIXU is the Lithi2-16 16kWh energy storage system. It comes with grade A brand& nbsp;new battery, easy to move with 4 wheels. Ideal solution for your residential and commercial needs. Expandable From 16kWh to 257kWh for both residential and commercial buildi

?Class A lifepo4 cell?RUIXU Lithi2-16 selects the latest lifepo4 cell to form 51.2V 314Ah 16kWh Lthium Battery Energy Storage System. Compared with lead-acid batteries, the energy density is higher and the number of cycles is more.

This 51.2V 314ah LiFePO4 battery has built-in 100A BMS to protect it from overcharging, over-discharging, over-current, overheating and short circuits with excellent self-discharge rate, ensuring the LiFePO4 battery"s safety level and optimize the 51.2V battery performance.
