Does a shade Greener have solar panels?

Thanks! We bought our house in 2014 and it had solar panels from A Shade Greener. We were told by our solicitor that our mortgage provider Nationwide did raise this as a query, as like yours they are leased for 25 years (it was only 5 years into it).

Are a shade Greener a good company?

A Shade Greener are a very efficient company to deal with. Our electrician Ricky arrived on time and was polite, tidy and helpful. Highly recommended, thank you! Date of experience: September 30, 2024 Thank you so much for your feedback. We will pass your comments along to the team.

Can a shade greener buy a house?

I come across A Shade Greener frequently at work (conveyancing solicitor). They will have a lease registered on a leasehold title to the roof of the house. So no need to get their consent to buy. The lease should be compliant with standard lenders' requirements. If it isn't, your solicitor should ask them to do a deed of variation to correct it.

Did a shade greener respond to a leaking roof?

We followed up with questions around the contract issue highlighted in the film to which A Shade Greener responded: was followed up by the roofing team when no response was received. Mr Hammond did not make any reference to a leak at this time. Mr Hammond any concern during the telephone call.

Can a shade greener lease a roof space for 25 years?

The Deeds were amended to Lease the roof space to 'A Shade Greener' for 25 years. I am well aware this can really complicate selling, with many mortgage companies unwilling to lend, and have found many worrying stories on this forum about ASG. Gulp.

My first clean-up effort with One Shade Greener began when I was taking photos at the beloved Austin 360 overlook. After finding an astonishing amount of trash I decided something needed to be done and organized a clean-up with Mark Sayegh. After cleaning up over 1,300 lbs of trash in less than 24 hours, I decided this was something I needed to ...
