

# Anesco battery storage Cambodia

Who is anesco battery storage?

Anesco is the UK market leader for utility scale battery storage. Since installing the country's first commercial energy storage unit back in September 2014, we have connected storage capacity totalling 150MW across 33 sites, with a further 250MW of battery projects currently under construction.

Why should you choose anesco battery storage systems?

Our battery storage systems meet the highest specifications, ensuring they perform at their optimal level. Anesco has a long-standing relationship with the major battery manufacturers and all of the batteries come with state-of-the-art fire protection, security and AC systems.

What services does anesco offer?

Monitoring and maintenance of utility scale energy storage systems Anesco has a large and established in-house asset management, and operations & maintenance (O&M) service, providing remote monitoring and maintenance for battery assets, along with performance reports that are tailored to our individual customers' needs.
