Are LONGi Solar panels good?

I think 9.5/10 is a very fair rating for Longi solar panels. They are easily one of the most popular solar panels in the world and deserve a high score. The manufacturers have kept their promise in providing high quality solar panels, without comprising the price. I would definitely recommend Longi as a high quality solar panel for all Australians.

Are LONGi Solar panels monocrystalline or polycrystalline?

Longi only makes its solar panels using monocrystalline(silicon) solar cells. Most solar manufacturers will either use monocrystalline or polycrystalline. Here's the difference between them: Polycrystalline is where the solar cells are all heated and melted together to form multiple crystals of silicon.

How long does Longi cover solar panels?

As for the performance warranty, also known as the power output warranty, LONGi covers the panels for 25 years. At the end of 25 years, LONGi guarantees that the annual output of the solar panels will be at least 84.8% of their original solar energy output at the time of installation.
