U.S. Ambassador John D. Rood reading to students at Woodcock Primary School in Nassau. Education in the Bahamas is compulsory between the ages of 5 and 16. [1] As of 2003, the school attendance rate was 92% and the literacy rate was 95.5%. [1] The government fully operates 158 of the 210 primary and secondary schools in the Bahamas. [1] The other 55 schools are ...

Bahamas cec system

Education in the Bahamas is compulsory between ages 5 and 16 and still based on the British system in many ways. School attendance rates are high and 190% of primary and secondary schools are state-owned. Schooling is a top priority of a government that spends up to 20% of its money on it. For the first 6 grades, children attend primary school.
