

AIONRISE Solar Panel Series All Black AION60G1 330W. Detailed profile including pictures, certification details and manufacturer PDF ENF Solar. Language: ... Solar Panel SunEvo Solar - EVO5N SE5-54H 430W-450W Ultra ...

Introducing the BLACK FRAME AION60G1-335 by AIONRISE, a groundbreaking addition to the world of solar technology that's set to redefine your approach to clean and sustainable energy. This photovoltaic module is meticulously engineered to provide exceptional efficiency, durability, and aesthetic appeal, making it the ultimate choice for a wide range of solar applications.

Aionrise (Delaware, USA) has purchased the fully automated solar panels manufacturing facility located in Georgia, Europe in March 2021. The main target markets for a brand are the USA and Europe. The factory was built by Swiss and German PV technology companies and started operation in 2019 with an annual capacity of 500MW.

At Solar Sovereign, we are thrilled to unveil our latest partnership with AIONRISE, the esteemed solar panel manufacturer located at 80 Ilia Chavchavadze Avenue, Tbilisi, Georgia. With a shared commitment to innovation and sustainability, this collaboration marks a significant stride towards a brighter, greener future.
