

Can I get compensation if the roof is damaged by photovoltaic panels

Can solar panels damage a roof?

When installed by a professional, there is virtually no risk of permanent problems. Many homeowners can even install the solar panels themselves, as long as they have done the proper research and received an inspection to ensure their roof is structurally sound. Can Solar Panels Damage Your Roof?

What happens if a storm damages a solar panel?

For instance, a homeowner in Cornwall faced £5,000 in repairs after a severe storm damaged their rooftop solar array. Their specialised solar insurance covered the full cost. Also, a Yorkshire farm had stolen ground-mounted solar panels, resulting in a £15,000 loss.

Can I claim compensation for mis-sold solar panels?

If you feel you were mis-sold solar panels for your home you could claim compensation. Back in 2019, it was reported that the Financial Ombudsman Service had around 2000 complaints from unhappy customers who felt they had been mis-sold their solar panels, with more coming in every week.

Should you install solar panels on your roof?

Some homeowners hesitate to install solar panels on their roofs because of the potential damage. In this case, a solar generator with portable solar panels may be a good first entry into the world of solar power. Generators allow you to stay small and portable.

Does homeowners insurance cover solar panels?

Usually, homeowner's solar insurance packages cover all types of solar panels: monocrystalline, polycrystalline PV, or thin film solar panels. The insurance protects your solar rooftop against common risks, such as fire, hail, lightning, storm damage, or theft. The claim limit for solar panel coverage varies depending on the policy.

Does solar panel insurance cover injuries or property damage?

Liability for injuries or property damage: Solar panel insurance typically includes liability coverage, protecting the policyholder if the solar panels cause injuries or damage to other people's property. This coverage is crucial for safeguarding against potential legal claims and associated expenses.
