

Canada solar group

Chairman and President Dr. Shawn Qu founded Canadian Solar in 2001 with a bold vision: to foster sustainable development and to make lives better by bringing electricity powered by the sun to millions of people worldwide. Over 13,000 dedicated employees of Canadian Solar (NASDAQ: CSIQ) strive each day to make this vision a reality.

Canadian Solar Inc. was founded in 2001 in Canada and is one of the world's largest solar technology and renewable energy companies. It is a leading manufacturer of solar photovoltaic modules, provider of solar energy and battery energy storage solutions, and developer of utility-scale solar power and battery energy storage projects.

Established in Canada in 2001, Canadian Solar Inc. is one of the world's solar technology and renewable energy companies. Canadian Solar comprehensively supports CSIF's investment, with the CSI solar segment offering solar technology and the Global Energy segment offering renewable energy.
