

Cayman Islands Aggreko South East Europe

Aggreko is a global leader in providing energy solutions that help businesses grow and communities thrive. Operating in a rapidly changing energy market where reliable supplies of energy have never been more critical, we provide customers with power and temperature control solutions when, where and for however long they need it.

The combined teams, operating within Aggreko ETS, will leverage their collective strengths to deliver reliable EPC services and innovative, sustainable energy solutions through long-term PPAs to a broader market.

The 264-square-kilometre (102-square-mile) territory comprises the three islands of Grand Cayman, Cayman Brac and Little Cayman, which are located south of Cuba and north-east of Honduras, between Jamaica and Mexico's Yucatán Peninsula.

STAMFORD, Conn. and CLEVELAND, Sept. 09, 2024 (GLOBE NEWSWIRE) -- Aggreko Energy Transition Solutions (ETS), a division of Aggreko, a global leader in energy solutions, today announced the successful closing of a \$66 million term loan financing for a 88.5-megawatt (MWdc) diversified portfolio of C& I and community solar assets.

Total has signed an agreement to extend its existing relationship as a supplier with power-generation equipment provider Aggreko to cover the whole of Europe. Prior to the agreement, the relationship was limited to 17 countries, mainly across the Middle East and Africa.
