What is the BMZ doing in DR Congo?

In addition, the BMZ is funding a programme to improve the electricity supply in the DR Congo and promoting the expansion of regional cooperation in the energy sector.

Why did GIZ stop working in the Democratic Republic of the Congo?

(as at: 31.12.2022) GIZ has been working in the Democratic Republic of the Congo on behalf of the German Federal Ministry for Economic Cooperation and Development (BMZ) since 1978. This work had to be halted in 1994 due to the civil war and the associated security risks.

What role does DR Congo play in regional cooperation?

The country's engagement for regional cooperation includes, for instance, its active involvement in the International Conference on the Great Lakes Region (ICGLR). The DR Congo is a nexus and peace partner for the German Ministry for Economic Cooperation and Development (BMZ).

Why is DR Congo a good country?

The Democratic Republic of the Congo (DR Congo) is the second-largest country in Africa in terms of area. It has huge tropical rainforests, large reserves of freshwater and valuable mineral resources. The vast majority of the people, however, does not benefit from this natural wealth.

What is German cooperation with Congo?

German cooperation with the country centres on ways to tangibly improve the everyday lives of the population, in particular of poor and marginalised groups, foster peace in the unstable region of Eastern Congo and protect the country's tropical forests.
