

Curaçao solar home package price

Can I get a solar loan in Curacao?

As you can see the more electricity usage you have, the faster you will earn back your one time investment. Many banks already offer so-called "green loans", financing the purchase of your solar system on Curacao for a monthly installment that may be even lower than the monthly price you pay for electricity now.

How much does electricity cost on Curacao?

On Curacao, the costs per KWh calculated in 2012 is ANG 0,73. If you are a home owner, commercial property owner or owner of an industrial building on Curacao, please have a look at your electricity bills and calculate the average amount of KWh you use and the money you spend on electricity per year.

What can you do at Coral estate Curaçao?

Coral Estate Curaçao. The homes are surrounded by a green environment and offer views of "La Vie." At Coral Estate, you'll find outdoor activities such as mountain biking and hiking trails, as well as diving and snorkeling opportunities on the house reef.

Is La Vie a good investment in Curaçao?

With a low annual lease payment of Nafl. 4000 per house on leasehold land from the General Pension Fund Curaçao (APC), "La Vie" is an attractive investment opportunity. Dutch investors can enjoy tax benefits as the wealth tax (box 3) does not apply. This makes "La Vie" an exceptionally solid investment in Curaçao's vibrant and growing market.
