

Delight solar price inia Montenegro

Thanks to the d.light iMax 10 solar inverter, I've cut down my fuel costs drastically and can now run my shop 24/7. My phone charging business is thriving, and I charge over 50 phones daily. The switch to solar has not only boosted my income but has also made my business more sustainable.

In recent years, energy prices across Europe, Montenegro included, have risen steadily. Cold winters, uncertainty and cashing out dizzying amounts on electricity and gas bills, the adverse effect all this has had on air quality, are all alarming issues.

At d.light, we are dedicated to transforming lives through affordable and sustainable solar energy solutions, empowering over 175 million people globally. Our goal is to provide clean energy access that fosters education, improves health, and creates economic opportunities.
