Renewable energy systems for commercial, industrial and residential applications. Based in Morobe Province, Solar Energy Consulting Papua New Guinea specialise in custom and bespoke renewable energy solutions, including solar and battery systems.

GREEN offers top-quality solar panels, expert solar panel installation, and repair services in Papua New Guinea. As one of the leading solar companies in PNG, we specialize in solar roofs, GREEN solar products, and reliable energy solutions for homes and businesses.

At DSEnergy PNG, our mission is to illuminate Papua New Guinea with sustainable solar power solutions, empowering communities and businesses alike. We are dedicated to pioneering renewable energy initiatives that transcend geographical barriers, fostering environmental stewardship, economic growth, and social progress.

Solar PV has the potential to reduce the cost of power supply in Papua New Guinea and reduce carbon emissions. By issuing this Notice, PNG Power intends to start allowing solar PV systems to

Until now, it was illegal for Papua New Guinean businesses to install and generate power from roof top solar panels. "Now large commercial and industrial businesses in the capital, Port Moresby, can apply to have solar PV systems connected to the grid, under the first phase of the scheme," said PNG Power's Acting CEO Mr. Douglas Mageo.
