

Ecohive energy Mauritius

EnVolt and Ecoasis, two subsidiaries of ENL Group specialising in energy production from renewable sources, have collaborated to launch three new solar farm projects in Mauritius. This initiative aligns with the national goal of incorporating 35% renewable energy into Mauritius' electricity mix by 2025, showcasing a major step towards a greener ...

Driven by the belief that everyone deserves clean, affordable energy, we set out to create a future where power is not just a privilege, but a possibility for all. Every solar panel we install, every battery we provide, is a step towards empowering lives, supporting local economies, and preserving the natural beauty of our world for generations ...

At Ecohive Energy, we're passionate about offering sustainable solutions that make your life simpler, cleaner, and more efficient. Ecohive Energy, Powering possibilities? ? Call us now: 0979297772 or 0777870013
