

Ecosmart solutions Pitcairn Islands

Why should you choose EcoSmart solution partner homes?

eco-friendly solution. EcoSmart Solution partner homes are zero energy capable. You're ready for a home that lives, works, and lasts better. A superior, sustainable solution is available today.

Who is EcoSmart?

EcoSmart is an affiliate of global investment leader Taurus Investment Holdings LLC, with a strategic partnership through Shell New Energies to create benefits for our Homeowners, Developers, and Home Builders through a revolutionary solution for creating the sustainable communities of tomorrow.

What is EcoSmart & how does it work?

By transforming energy infrastructure investment into a high-value energy service and offering second to none technology; EcoSmart delivers a streamlined platform through our network of strategic partnerships in technology, consumer brands, and more, for builders to craft affordable, net zero energy capable homes.

Is an EcoSmart home energy efficient?

An EcoSmart home has a HERS rating of 25 or below -- making it one of the most energy efficient homes in the country. Why Your Next Home Should Be EcoSmart. In today's housing market, energy adaptability and performance directly correlate with dollar savings.
