Who owns Efacec Power Solutions?

In October 2015, the company Winterfell Industries acquired the majority of the capital of Efacec Power Solutions. The former shareholders - José de Mello and Técnico Manuel Gonçalves Groups - now hold a minority position in the company's capital and new Governing Bodies were elected. 2020 was a year of shareholder change for Efacec.

What makes EFACEC a good company?

EFacec is a company with a strong and sustained positioning on the international market and a commitment to continuously innovating and investing in new technologies development. This is achieved with a team of highly motivated and qualified employees.

How important is Efacec?

On August 12, 2023, we celebrate the 75th anniversary of Efacec, a historic milestone that reinforces the strategic importance of a unique company in Portugal operating in sectors that structure society as a whole and of recognized importance in all the world geographies where it operates.

What happened to Efacec?

After several changes in the distribution of capital, namely the departure of CUF, ACEC became majority shareholders. The name EFACEC - Empresa Fábrica de Materiais Elétricas, SARL, was born in 1962. At the end of the sixties, Efacec became one of the first Portuguese companies listed on the Lisbon Stock Exchange.

What makes Efacec unique?

Efacec's history is marked by knowledge and experience applied to technological innovation and our origin, with more than 100 years of history, dating back to the foundation, in 1905, of "A Moderna" Mechanical Sawmill Society.

After the start in Saudi Arabia, it was the turn of Morocco to mark the entry of Formula E in 2019, on 12th January. Formula E is an opportunity to gain even greater penetration in the Electric Mobility market and the ultra-fast charging solution segment, where Efacec is already one of the biggest players in the world. Efacec envisages Formula E as a platform with three main goals: ...
