

# Eikto battery Eritrea

Who is eikto?

EIKTO is a leading lithium battery innovator, we are specialized in Lithium-ion battery technology development and manufacturing, our integrated PACK is suitable for forklifts, marine, heavy trucks and battery energy storage system (BESS). We contribute to global low-carbon emissions, and to promote the development of the clean energy.

What is eikto lithium battery management system?

EIKTO lithium batteries are equipped with an intelligent battery management system that monitors the battery status in real-time, such as voltage, current, and temperature and takes action in abnormal situations, such as disconnecting the circuit or issuing an alarm to protect the battery and equipment.

Who is ekt (eikto) lithium battery?

We Power Your Business ! EKT (EIKTO) Lithium battery is world's largest manufacture of Lithium Battery for Material Handling Equipment. We are the official supplier of top OEMs, also, is a pioneer to bring a cost-effective Lithium battery solution for global market. Our product ranges from 24V, 36V, 48V, 72V until 80V.

What makes eikto a good battery?

The EIKTO MS series uses a unique blend of lithium ions, making it the most compact, durable, and powerful battery on the market. EIKTO has been committed to improving energy efficiency and the environment for years. Our self-developed battery cell and the patented structure gave us a competitive advantage over other battery manufacturers.

Are eikto lithium batteries environmentally friendly?

EIKTO lithium batteries are made of environmentally friendly materials and do not contain harmful substances such as lead and mercury, which can reduce environmental pollution. In addition, lithium batteries have high recyclability, which helps reduce waste and resource waste.

Where is eikto located?

We contribute to global low-carbon emissions, and to promote the development of the clean energy. No. 998, Baocheng Road, Eikto Industrial Park. Economic & Technology Development Zone, Xuancheng, City, Anhui Province. China. EIKTO; All Rights Reserved.

EIKTO Company Profile EKT is a global supplier of new energy applications. The company specializes in R&D, production and sales of lithium-ion batteries for industrial vehicles, lithium ...
