

Empower energy solutions head office Luxembourg

Empower Energy was founded in 2010 by Ezra Beeman with the vision of building an intelligent and distributed electricity grid to economically decarbonise our energy usage. We weren't satisfied with the battery offerings on the market, as they lacked the flexibility to adapt to the changing grid and weren't fit for the unique Australian ...

Founded with a mission to revolutionize the way businesses and institutions integrate sustainable energy solutions, Empower Energies brings expertise, innovation, and passion to every project. Our goal is to help organizations transition to renewable energy efficiently, reducing both costs and their carbon footprint.
