Is Energy Solutions a good company?

Energy Solutions (ES) Ltd. is very professional and promising to deliver its services. Always up to date with market trends. Even though they were aware so many times that market prices were getting higher they also kept me waiting till the market price went down. I must say they are dealing with ethics.

What can SSE energy solutions do for You?

At SSE Energy Solutions, we partner with network owners to deliver tailored solutions that enhance resilience, reduce operational costs, and optimise asset performance. From funding capital investments to ensuring your network meets future demands, our expertise can make a measurable difference.

Did energy solutions buy Duratek?

Duratek was purchased by EnergySolutions at a 25.7% premium over the February 7, 2006 stock price when the merger was announced. Since its inception, Energy Solutions has collected primarily domestic, Class A nuclear waste for its west Utah desert site.

Does EnergySolutions own a nuclear waste repository?

EnergySolutions owns two of the nation's four commercial low-level nuclear-waste repositories, its primary competitor, Waste Control Specialists, built a fourth repository in Texas. Envirocare of Utah, Inc. (Envirocare) buried Class A low level radioactive waste (LLRW) in an engineered landfill. It began operations in 1990 in Clive, Utah.
