Suncor Energy Inc.'s price-to-earnings (or &quot;P/E&quot;) ratio of 9.2x might make it look like a buy right now compared to the market in Canada, where around half of the companies have P/E ratios above 16x and even P/E's above 31x are quite common. However, the P/E might be low for a reason and it requires further investigation to determine if it's justified.

Suncor Energy operates in the oil and gas industry, which is a global industry worth an estimated US\$3 trillion. Suncor Energy employs more than 12,000 people in Canada, the United States, Europe, and the Middle East. These employees work in exploration, production, refining, and marketing activities, as well as in corporate and support roles.
