On February 19, 2021, registered voters in the British Overseas Territory of Turks and Caicos went to the polls for General Elections to elect members of the House of Assembly. The 2021 election was said to have been carried out ...

On February 19, 2021, registered voters in the British Overseas Territory of Turks and Caicos went to the polls for General Elections to elect members of the House of Assembly. The 2021 election was said to have been carried out democratically, peacefully, and safely. Extensive documentation and video instruction was made available to voters with

There is ample evidence that logging took place throughout the Turks and Caicos Islands, probably to meet both local and foreign demand for lumber. Exported lumber would likely have been primarily hardwoods, such as *lignum vitae*, mahogany, and Jesuit bark. There does, however, seem to have been interest in the very lightweight gumbo limbo, for ...

The crystal water at the Bight Beach. Given its small size, the Turks and Caicos workforce lacks sufficient skilled persons in many fields and industries, requiring employers to apply for work permits for people who meet the required skill sets. To legally work in the Turks and Caicos Islands, nearly all foreign nationals must obtain a work permit (a few exceptions exist, such as ...

Turks and Caicos underwent rapid economic growth in the two decades between the mid-1980s and the early 21st century, which was reflected in an average annual increase of 8 percent in its gross domestic product ...

Deandrea Hamilton. Editor . Turks and Caicos, December 11, 2024 - "Today we gather at a defining moment in the history of the Turks and Caicos Islands made even more meaningful as it coincides with International Human Rights Day," the words H.E. Dileeni Daniel-Silveratnam, TCI Governor used to set the stage for an auspicious ceremony.. With thanks to ...
