MBABANE -The European Union (EU) Delegation to the Kingdom of Eswatini, the Alliance for Rural Electrification (ARE), GET vest and GET.transform are thrilled to invite clean energy stakeholders to the EU Green Power Transformation Forum on November 20-21, 2023 in Eswatini.

6 ???· The policy brief presents a road plan for the Kingdom's Just Energy Transition. It seeks to link growth and development with Eswatini's Nationally Determined Contributions (NDC) ...

Critical to the energy transition by integrating increasing amounts of variable renewable energy. We focus on BESS integrated with solar to provide clean energy when it is needed most as well as standalone BESS to help customers reduce demand charges and provide grid services.

Eswatini aggreko energy transition solutions

Aggreko Energy Transition Solutions (AETS) is dedicated to cultivating strategic alliances that accelerate the energy transition. We believe in the power of collaboration to spark innovation, bolster sustainability, and push the boundaries of what's possible in the energy sector.

At Aggreko Energy Transition Solutions (AETS), our mission is clear: to advance the energy transition through the development, ownership, and operation of clean energy infrastructure across the U.S. We are dedicated to developing solar and storage assets that are not just clean, but also reliable and economically sound.
