

Does ferroamp take responsibility if the ESS power case is not installed?

Ferroamp does not take responsibility for installations where the following stated criteria are not met. NOTE! Make sure that the ESS Power Case and the ESS Battery are positioned close enough for the premade battery cables to reach. Indoor environment protected from rain and direct sunlight.

Why should you choose a ferroamp energy storage system?

With the Ferroamp system's open flexibility, you can support the electricity grid while controlling power consumption and storing solar power in the property. Ferroamp's energy storage solutions are scalable and can be tailored to your power and storage needs. Just as suitable for small houses as they are for larger properties.

Why should you choose ferroamp?

Ferroamp's energy storage solutions are scalable and can be tailored to your power and storage needs. Just as suitable for small houses as they are for larger properties. As the needs and opportunities of the electricity grid and properties change, the functions of the Ferroamp system are updated so that you can constantly optimise electricity use.

Is ferroamp liable for damage caused by incorrect installation?

Ferroamp does not take responsibility for damages on the product caused by incorrect or careless installation. NOTE! We recommend that you use end terminals for all connection points that have multi-threaded conductors. Do not work alone. In an emergency, someone else's presence may be necessary!

Are McDonald Islands and Heard Island Australian external territory?

Together with Heard Island, they make up the Australian external territory of Heard Island and McDonald Islands. The McDonald Islands are the emergent peaks of submarine volcanoes and are Australian external territory. Prior to 1992, there had not been an eruption in the previous 75,000 years.

Where are Heard Island and McDonald Islands located?

The islands are a territory (Territory of Heard Island and McDonald Islands) of Australia administered from Hobart by the Australian Antarctic Division of the Australian Department of Climate Change, Energy, the Environment and Water.

De Heard en McDonaldeilanden (Engels: Heard Island and McDonald Islands (HIMI)) zijn een onbewoonde onherbergzame subantarctische eilandengroep in het zuiden van de Indische Oceaan op de breedtegraad van Vuurland en op dezelfde lengtegraad als Mumbai. Ze liggen op 1700 km van Antarctica en op 4100 km zuidwestelijk van Perth eilanden vallen onder de ...
