Is SolarWorld a debt-free company?

In the beginning of August 2017, leaving all liabilities behind, all the assets alone were acquired by the original Founder of SolarWorld Ag, Frank Asbeck along with Qatar Solar Technologies (QSTec) to form SolarWorld Industries GmbH, thus becoming completely debt-free and the only Solar Manufacturer in the world with zero-debt and zero liability.

Is SolarWorld America insolvent?

The company filed for insolvency of its German subsidiaries alone in May 2017. While subsidiary SolarWorld America was not itself insolvent, it subsequently was put up for sale or other action to help resolve the debts of the German parent company.

What is SolarWorld & why should you choose wilderness Safari?

Wilderness Safari deployed SOLARWORLD products on many of their Safari lodges in Africa, the perfect way to save carbon emissions in this intact natural environment. For decades we have been actively servicing the African photovoltaic market. Manufacturers with outstanding product quality are counted among our Premium Partners.

How did SolarWorld achieve grid parity?

In 2010, SolarWorld called for lowering Germany's lucrative solar feed-in tariffs and its CEO, Frank Asbeck, supported a 10 percent to 15 percent drop for the incentives. In 2011, utility-scale solar power stations achieved grid parity for domestic consumers as guaranteed tariffs fell below retail electricity prices.
