Who is sunotec?

At SUNOTEC we offer expertly integrated solar solutions, activated international expertise, and a lived commitment to resource efficiency and business reliability to all our partners. Founded in 2012, the company has completed more than 580 ground-mounted PV installations with a capacity of over 8.2 gigawatts.

What makes sunotec unique?

SUNOTEC positions itself as an integrated solution provider and embraces the circular economy. Northern Africa sees an increase in projects. BESS is added to the product portfolio.

Why did sunotec participate in Munich?

Adding to our success, we proudly announced that SUNOTEC and Huawei signed a Memorandum of Understanding to advance energy storage systems in Germany, marking a significant step in our commitment to green energy. The highlight of our participation in Munich was our annual and exclusive Premium Dinner attended by 200 guests.

Established in 2012, SUNOTEC now operates all around the world and has delivered more than 630 utility turnkey PV solar plants with a capacity of over 10 GWp, globally. Presently, the company operates from its offices in Munich, Germany and Sofia, Bulgaria.
