Glasdon outdoor steel equipment cabinets offer a long-term solution to the secure housing of instrumentation and electrical equipment. Choose from standard and bespoke size cabinets with IP rated protection or ventilation, suitable for use on the roadside, outside buildings and in any internal or external location.

If you want your outdoor clothing and equipment to be organised and easy to access, you need a good storage solution. Without enough organisation, the garage--a common location for storing such items--can easily become disorganised and crowded. Here, we explore the realm of outdoor equipment and gear-specific garage cabinets.
