HAWKER ® LIFETECH (TM) MOD1 and LIFETECH (TM) MOD1C modular, high-frequency smart chargers provide optimum charging, peak efficiency, maximum reliability, and nonstop power to meet the growing demands of our customers. The modular design of these chargers allows each individual power module to operate independently. Even if one module stops working, the ...

Hawker Powersource, Inc. - At HAWKER®, we craft custom hybrid motive power solutions for Class I, II, and III trucks to power customer's unique daily operations. We offer the broadest product range in the industry - including traditional flooded lead acid, to Thin Plate Pure Lead (TPPL) and lithium batteries, high-frequency modular chargers, and data management tools ...

HAWKER® is the largest brand of industrial lead-acid batteries in the world. HAWKER® has manufacturing, assembly, and sales capabilities world-wide - with product solutions that are the moving force behind applications as diverse as telecommunications, aircraft, UPS systems, and submarines. We offer the broadest range of power solution products in the industry, and ...

The HAWKER® PTOTM MOD3 is a high-frequency, programmable-capacity, selectable DC voltage charger that provides an economical choice for charging. The HAWKER ® PTOTM MOD3 charger series offers Conventional, Opportunity, Cold Storage, Gel, and TPPL

At HAWKER®, we craft custom motive power battery and charger solutions for Class I, II, and III trucks to empower and enhance each customer's unique daily operations. We offer some of the broadest product range in the industry -- including traditional flooded lead acid, to Thin Plate Pure Lead (TPPL) and lithium batteries, high-frequency modular chargers, and data management ...

HAWKER FLEX ® Thin Plate Pure Lead (TPPL) batteries (2V and monobloc) provide significant operational benefits at a lower total cost of ownership compared to traditional flooded, gel or air mixed batteries. Assembled using a thin grid design of high-purity lead, TPPL batteries offer more available power via more plates per bloc and increased plate surface area.

SAFETY DATA SHEET. Our state-of-the-art manufacturing facilities feature the latest technology in water treatment, air pollution control devices, and revolutionary formation rooms equipped with ventilation systems that protect employees and the environment from harmful fumes.

HAWKER ® ENERGY-PLUS (TM) BATTERY - The Ultimate Power Source. When your operation depends on a heavy-duty battery--a battery that can stand up and deliver even under the most demanding applications--you can depend on the power of the HAWKER ® ENERGY-PLUS(TM) flooded lead-acid battery.

HAWKER news and updates. FLEXPAK™ BATTERY/CHARGER PAK - Plug-and-Play Power. HAWKER FLEXPAK™ Thin Plate Pure Lead battery/charger packs offer outstanding flexibility and ease of use that will change the way you work. This sealed battery/charger pack can be used when and where you need it most for exceptional performance.

FLEX™; Li3 BATTERY - The Future of Motive Power. Built to the highest safety, design, and manufacturing standards, the HAWKER FLEX™; Li3 battery is the superior Lithium-ion (Li-ion) ...

FLEX™; ELITE BATTERY - THE POWER OF PRODUCTIVITY . HAWKER FLEX™; ELITE Thin Plate Pure Lead (TPPL) batteries provide significant operational benefits and a lower total cost of ownership compared to traditional flooded, gel or air mixed batteries.

FLEXPAK™ BATTERY/CHARGER PAK - Plug-and-Play Power. HAWKER FLEXPAK™ Thin Plate Pure Lead battery/charger packs offer outstanding flexibility and ease of use that will change the way you work. This sealed ...

FLEX™; Li3 BATTERY - The Future of Motive Power. Built to the highest safety, design, and manufacturing standards, the HAWKER FLEX™; Li3 battery is the superior Lithium-ion (Li-ion) offering to power your material handling vehicles. This cutting-edge battery is integrated with innovative battery management technology to deliver intelligent flexible power that is not ...

Our Mission. At HAWKER™;, we're committed to defining the future of Motive Power through innovative technology and data driven solutions supported by world class customer service, striving to deliver the lowest total cost of ownership, and bringing unprecedented value to our customers, partners, and employees.. HAWKER™; is always proactively adapting to our ...

As a single-source supplier, HAWKER is perfectly suited to provide a total motive power solution. By manufacturing both industrial batteries and chargers, HAWKER can perform an exclusive "Harness the Power" on-site assessment of your operations. We will study and analyze your processes, operational costs, productivity, electrical consumption and demand.

LEADING EDGE MOTIVE POWER SOLUTIONS PLB.3/18.2.0.CM.Rev.17 With more than 85 years of motive power experience and innovation, HAWKER™; offers a complete line of battery and charger motive power solutions. HAWKER™; power solutions are designed to reduce environmental impact, lower operational costs, ...
