

How long can you store money in a supermarket locker

Should you store money in a home safe?

Storing hundreds of thousands of dollars worth of paper currency or precious metals in a home safe is simply not a wise or prudent course of action. There are better ways to protect your nest egg. A good safe is far better than storing bundles of cash in your proverbial mattress, but it still is a risk.

How long does a Morrisons parcel stay in Amazon Locker?

Once your parcel is delivered to the secure Morrisons Amazon Locker in-store, you'll receive an email telling you your unique pickup code. Then, just head to your Morrisons store when you're ready - your parcel will be kept in the Locker for three days.

How to store bank notes safely?

For a start, you have to find places to hide it securely. If you want to store thousands it's not easy to keep track of it all. One huge pile of bank notes can disappear in an instant if you're unlucky enough to lose your house in a fire or flood. Therefore sensible fireproof safe storage would be wise. Moreover, you'll become a magnet for thieves.
