

How to apply for photovoltaic panel power generation

Should you apply for a solar panel grant?

By applying for a solar panel grant, you could receive heavily discounted or even free solar panels, resulting in annual energy bill savings upwards of £1,040. We recently conducted a survey of over 1,540 Independent readers who own solar panels* to understand how they made the most of the solar panel funding available to them.

Are there free solar panel grants in the UK?

*Available solar panel grants in the UK as of April 2024 While some of the government initiatives are completely free solar panel grants, others are loans or reductions in VAT that count as solar panel government schemes. The application process and eligibility criteria for each of these are different, so let's go over each policy.

What if I don't qualify for a solar panel grant?

If you don't qualify for any solar panel grants, there's another way to start benefiting from solar electricity with no upfront cost. Sunsave Plus, the UK's first solar subscription, will provide you with best-in-class kit, all in one easy solar & battery package that comes with a 20-year Sunsave Guarantee.

Who is eligible for solar PV panels?

To be eligible for solar PV panels, your home needs to meet these specific requirements: Have an income of less than £31,000. Currently have an inefficient heating system within the D-G energy efficiency band. Own your home and live in it, or live in private rented accommodation (requires permission from the landlord).

How do I qualify for free solar panels in the UK?

You may qualify for free solar panels if you're eligible for one of the UK's four main grants. However, two of these grants are only available in England, one can only be accessed in Wales, and all of them come with stringent qualifying criteria that target the most deprived households.

How do I get a solar panel loan?

Most solar panel loan providers simply require you to fill in an online application. If you fulfil the company's initial requirements, you'll just need to choose the amount of time you want your loan to last for - usually three to 10 years - and complete a credit application.
