John Russell, 1st Earl Russell, (18 August 1792 - 28 May 1878). Immediately following their return to the Falkland Islands and the failure of Vernet's settlement, the British maintained Port Louis as a military outpost. There was no attempt to colonise the islands following the intervention, instead there was a reliance upon the remaining rump of Vernet's settlement. [36]

Workboat Services Ltd operates the MV Concordia, the inter-island ferry service between New Haven in East Falkland and Port Howard in West Falkland. This is a great way to travel if circumstances permit and very cost effective for a group. Marine mammals are frequently observed from the decks and the sight of nearing land, particularly passing through the ...
