Ireland's leading garage equipment outlet. Huge range of compressors, auto servicing tools, construction tools and power tools. ... Generators & Portable Power . Diesel Generators. Diesel Generator Parts; 3000rpm Diesel ...

Drawing 900W of solar power and 500W via the adapter from the mains - at a combined 1,400W rate - AC200MAX will charge in less than two hours. Furthermore, every BLUETTI battery module has its own AC input port, so you can get another 500W of input rate with every module added (maximum of 2 battery modules for AC200MAX).

An important feature of the Delta Pro is its support for solar panels with an input of 1600W. This allows you to charge the power station in about 4 hours, depending on weather conditions-perfect for off-grid use.

"The EcoFlow Delta is the best portable power station for emergency backup power or for off-grid activities such as camping..." "Unlike many traditional power stations, the EcoFlow RIVER supports fast charging from 0-80% in 1 hour."
