The Iwin Energy 1000W Smart All in One Solar Inverter is a versatile and affordable solar inverter that is perfect for homes and businesses that want to reduce their reliance on the grid. This inverter is equipped with a 1000W pure sine wave inverter, a 60A MPPT solar charge controller, and a built-in battery.

Featuring a large 18-inch blade, this fan delivers impressive airflow and ensures efficient cooling even in larger spaces. It is equipped with a solar panel for renewable energy use and a high-capacity rechargeable battery that offers extended runtime, making it an ideal choice for areas with limited access to electricity.

Our team have over 20 years of experience in the solar product field. With operations of our professional teams abroad, Iwin Energy establishes warehouses in Bangladesh, Nigeria, Uganda, Ghana, and Malaysia. We decide to promote our brand and provide the most reliable, affordable and accessible solar products to the world.
