

Jiangxi hualiyuan lithium energy co ltd Taiwan

Who is Jiangxi hualiyuan Lithium Energy Company?

JiangXi HuaLiYuan Lithium Energy Co., Ltd. was established in 2013. The company has an industrial park of 23,000 square meters and more than 100 patented technologies, including 8 invention patents, ...

How many patents does hualiyuan have?

The company has an industrial park of 23,000 square meters and more than 100 patented technologies, including 8 invention patents, ... Hualiyuan always insists that quality is the guarantee for the survival and development of an enterprise and a strong backing for casting a first-class brand. Relying on advanced production technology ...

What are the characteristics of lithium-ion batteries?

The lithium-ion batteries and related products produced by the company are stable, consistent, cycle life, high and low temperature performance, self- Discharge, capacity and other indicators have excellent performance. The company provides the logo on the battery cell that customers need.

After 10 years more of rapid development, HLY has become a global competitive high-quality lithium battery platform company, processing core technologies and comprehensive solutions for consumer batteries and power batteries.

Jiangxi Hualiyuan Lithium Energy Co. Ltd. was established in 2013, it is located in Ji'an city, Jiangxi Province. Our company is a high-tech enterprise that produces high-performance 18650/26650 lithium-ion batteries and related products.

Jiangxi Hualiyuan Lithium Energy Technology Co., Ltd. has advanced production equipment; the R& D and manufacturing team has more than 10 years of industry experience; it has more than 10 independent special technologies; and has mastered international new technology.

Jiangxi Hualiyuan Lithium Energy Technology Co., Ltd. is a high-tech enterprise that produces high-performance lithiumion batteries and related products has the most advanced fully automated 26700 battery cell production line in China; The company was established in 2013 and it covers an area of about 300 acres and has planned construction area ...

JiangXi HuaLiYuan Lithium Energy Co., Ltd. was established in 2013. The company has an industrial park of 23,000 square meters and more than 100 patented technologies, including 8 invention patents, more than 100 technical research and development personnel and more than 200 sets of high-precision instruments.

Jiangxi Hualiyuan Lithium Energy Technology Co., Ltd. is a high-tech enterprise that produces
