

Joules sync energy corp Gabon

We actively promote the adoption of renewable energy at both the state and federal level, helping to position our country, and the Southeast, as a global leader in both energy and technology. Joule is Louisiana's oldest certified B Corp, and we work to create progress every day toward a sustainable future.

Our activities cover the entire energy value chain; so wherever you are - upstream, midstream, or downstream; generation, transmission or distribution - Joules Energy Limited will meet your needs and offer the best value in design, engineering, construction, procurement, instrumentation, automation & control, operations, maintenance, marine ...

We are currently accepting applications for our ****OJT**** program, where you will have the opportunity at ****Joules Sync Energy Corp****, we believe in nurturing talent and providing hands-on experience...
