This data guides the design of the solar array, placing panels strategically to minimize shading impacts. At Jubaili Bros we ensure that solar panels receive the maximum amount of sunlight, improving overall energy production by optimizing the tilt angle based on geographic location and seasonal variation. Post-Installation

Jubaili Bros Solar strategy will focus on solar distribution, building relationships with EPC"s by supplying equipment, providing leads, financing, training, engineering and technical support. We will also focus on providing solar hybrid systems solutions.

SolarQuarter Middle East Magazine got to interview Dr. Marcus Schumacher - Group CEO, Jubaili Bros and understood the unique and variety of services and products provided by the company. Dr. Marcus gave us insights into their expansion and growth plans for the coming year as well.
