

Jurchen solar Nauru

Who is Jurchen technology?

Jurchen Technology supports customer's projects through planning, construction, commissioning, and operation phases. Our team is highly specialized and focused on providing solar solutions since 2008 with a long history of redefining solar providing innovative, optimized, cost efficient substructure and DC cabling solutions.

Why should you choose Jurchen Technology India Private Limited?

Boosting businesses by supplying high-grade Aluminum Solar Panel Mounting Structures, P Standing Seam Clamps, Module Mounting Structure PEG Systems, Inline Fuse Connectors, and more. Jurchen Technology India Private Limited is a trusted name in the industry.

Why should you choose Jurchen technology?

Our German in-house R&D center performs rigorous durability testing to guarantee a safe and long-lasting product. Additionally, our engineering team is able to provide solutions that are simplified and customized to customers' needs. Jurchen Technology supports customer's projects through planning, construction, commissioning, and operation phases.
