

Kenbrook solar French Guiana

Renewable power plants operator Voltalia SA on Thursday announced the commissioning of its 5-MW Parc Sable Blanc solar farm with an integrated storage system in French Guiana. The Paris-based company secured the project in a government tender for solar projects in non-interconnected zones (ZNIs) in May 2021 .

We are a leading manufacturer of cutting-edge solar components for the residential and commercial sectors, offering a wide range of products including ACDB, DCDB, solar panel cleaning equipment, solar lights, lightning arrestors, solar MC4 connectors, DC wires, and many other solar accessories.

Shop Kenbrook Solar 10 sq. mm DC Wire 10 Meter, Double PVC Tin Plated Copper Cable with 60AMP MC4 Connector Crimped (5M Red + 5M Black With MC4) online at best prices at desertcart - the best international shopping platform in French Guiana. FREE Delivery Across French Guiana. EASY Returns & Exchange.

Solar energy is a never ending resource of the power. This energy can be collected and converted into useful energy with the help of photo-voltaic or solar thermal collector. Solar is the fastest developing and the cheapest source of energy with greater benefits. No maintenance is required in the solar panel.
