What are lenercom products?

Lenercom focus on the R&D, manufacturing, micro-grid ESS and Energy Storage System. Lenercom Products Include: home battery system, Commercial Battery System, Industrial Battery Storage System & large scale battery energy storage systems. Lenercom Europe Offer Ready Stock Delivery and Comprehensive Technical Support.

Who is lenercom?

Committed to providing integrated energy microgrid system solutions for residential, commercial and industrial users. Copyright © 2024 Lenercom Official. Lenercom focus on the R&D, manufacturing, micro-grid ESS and Energy Storage System.

What certificates does lenercom ESS have?

Production release of the E3 model. Lenercom ESS products have passed many international authoritative certificates, such as CE and certificates for grid-connected photovoltaic inverters in EU and UK. We also received a number of international awards such as IF Design Awards and the gold award of Muse Design Awards.

What certifications does lenercom have?

Cooperate with overseas partners to build an online and offline local service network. The Lenercom series of products have successively passed international authoritative certifications, including CE, IEC, UN38.3, and grid connection certifications in the UK, Germany, Poland, and Estonia.

Lenercom's main products include Power Conversion System (PCS), Hybrid inverters (MPS), Energy Storage System (ESS) and other products and system solutions. With advanced technologies such as ALL IN ONE, energy management system (EMS), cloud platform, etc., it has become a pioneer in household and small industrial and commercial energy storage.

Hunan Lenercom Technology Co., Ltd. (hereinafter referred to as Lenercom) is a high-tech enterprise focusing on Energy Storage System and Water Treatment System R & D, manufacturing, sales and service. It is the Hunan Manufacturing Innovation Center of the "Made in China 2025" plan.

State-of-the-art technology - we use the highest-quality equipment including Energy Storage System (ESS) technology and Tier 1 solar PV components. Industry-leading warranties and guarantees - our 10-year workmanship warranties and production guarantees for solar PV components, with performance guarantees for battery storage components ...
