## Will Volvo Cars repurchase Northvolt's shares in Novo energy?

Volvo Cars has today notified its counterpart in the NOVO Energy joint venture, Northvolt AB, that Volvo Cars will invoke its redemption rights to acquire Northvolt's shares in NOVO Energy. This action follows a breach of the parties' shareholders' agreement where Northvolt AB has not fulfilled its financing obligations.

## Will Northvolt AB buy Novo energy?

However, fast forward two years and Volvo has released a statement saying that it has notified Northvolt that it will "invoke its redemption rights to acquire Northvolt's shares in Novo Energy". "This action follows a breach of the parties' shareholders' agreement where Northvolt AB has not fulfilled its financing obligations," the statement said.

## Why did Northvolt stop donating more capital to Novo energy?

Northvolt, which is fighting to raise a rescue package in the coming days, said it had decided not to contribute more capital to Novo Energy and instead focus its funding on its sole current factory in Skellefteå; in northern Sweden, where it has struggled to ramp up production.

## Will Northvolt AB breach its shareholders' agreement?

This action follows a breach of the parties' shareholders' agreement where Northvolt AB has not fulfilled its financing obligations. Volvo Cars is evaluating any potential impact these developments could have for NOVO Energy and is investigating future scenarios to protect the investment.
