

Why did Mozambique protest?

Thousands protested in Mozambique's capital on Thursday and security forces responded by firing tear gas and rubber bullets, as weeks of post-election unrest continued in the southern African country. The protests were sparked by a vote last month that will keep the ruling party in power for more than a half-century amid allegations of rigging.

How many people have been killed in Mozambique post-election protests?

MAPUTO, Mozambique -- More than 100 people including children have been killed by security forces in post-election protests in Mozambique that have lasted nearly two months, rights and civil society groups said. Get concise answers to your questions. Try Ask The Post AI.

Will more talks lead to a solution to Mozambique's post-election crisis?

S.A.D.C. called an extraordinary summit on Mozambique on Nov. 20 in Harare, Zimbabwe, to address Mozambique's growing post-election crisis, but Mr. Nuvunga doubts that more talks will lead to a solution. He believes Frelimo will prove unwilling to accept a recount or otherwise surrender its control over the process.

Will Mozambique continue protests over contested election results?

Mozambique's opposition has promised to continue protests over contested election results that extended the ruling Frelimo party's near five-decade rule. At least 30 people have died since protests broke out last month, an international rights group has said.
