

New Zealand buy solar panels europe

Do solar panels work in New Zealand?

Absolutely! New Zealand has abundant sunshine and generates between 1,700 and 2,100 sunshine hours annually. Some areas, like Nelson and Gisborne, receive as much as 2,400. Solar Panels don't require sunshine; they require daylight, so Solar Panels work year-round, even in the lower South Island.

Do solar panels still produce power?

Yes, the solar panels will still produce power however the solar inverter requires you to be connected to the grid for the inverter to operate and provide power to your home. This is a safety mechanism to protect appliances at your property for the safety of network maintenance personnel.

Do solar panels come with a warranty?

Most solar panels come with a warranty that covers manufacturing defects, typically ranging from 10 to 25 years. The warranty for the solar panels should be considered along with the warranty for the entire solar energy system, which can range from 10 to 25 years.

Are solar panels suitable for all roofs?

They are the only semi-glazed solar panels with a sleek look and seamless connection suitable for all roofs. We have various-sized solar panels to optimise your pool heating to ensure a comfortable swim all year round. Discover our cost-effective water heating solutions, from solar panels to cylinders.

Are solar panels a good investment?

Long-term savings: Solar panels are a long-term investment that can save you money over the lifetime of the system, as the cost of traditional energy sources continues to rise. How long do solar panels last, and do they require any maintenance? Solar panels are designed to be durable and long-lasting.

Would you recommend a solar installation?

Definitely highly recommend. Tom and his team did an excellent job of setting us up with solar panels and battery. There was good communication and the install went to plan. Testament to the sparkies, the electrical inspector commented on how good the install was. To cap it off our last power bill was a \$30 credit.
