

New age solar solutions Canada

The New Age Solar team will assist in evaluating your needs. If more devices/appliances are needed for electrification, the optional Mighty Box Companion with either four or eight additional batteries will provide more power hours. And, up to three additional PPGs can be connected to one Mighty Box.

Jerry's diverse engineering background, coupled with highly specialized expertise in tooling and design and unrivaled personal attention to customers' needs, made New Age Solar a highly sought-after company in the crowded arena of New Jersey based solar businesses.

When a genuine emergency occurs, natural gas may be turned off and propane and diesel fuel will be in short supply. Enter The Mighty Power System, a prefabricated transportable ...
