Up to Buy Solar Water Heaters at SolarShop at the Best Price in Kenya. Up to 5 Years on Selected Brands. Buy at SolarShop at the Best Price in Kenya.

Are deep cycle lead acid solar batteries cheaper in Kenya?

Deep cycle lead acid solar batteries for sale in Kenya cost more than the car lead acid batteries do. However, they are more affordable than solar lithium ion batteries. The lead acid batteries for solar are valve regulated lead acid batteries (VLRA) meaning they come sealed so gases from the reactions cannot escape.

How does deep cycle technology affect solar battery prices in Kenya?

Deep cycle technology allows a solar battery to be discharged slowly over a long period of time until it has nothing left to give and then recharge and be ready for use again. The deep cycle technology affects not only performance of the solar batteries but also the solar battery prices in Kenya.

Are lithium ion batteries better than lead acid batteries in Kenya?

However, the price of these solar batteries in Kenya is higher than that of lead acid batteries. But, lithium ion batteries have a longer life span, are maintenance free, and have a bigger discharge depth than lead acid batteries. You harvest more energy from lithium ion batteries than from lead acid batteries.
