

At OKAPI we believe in the potential of the African continent and we aim to bring our share to the growth of local economies and foster trade within African countries. Who we are ? Our companies are dedicated to delivering superior performance throughout the ...

We have a strong focus on Renewable Energy solutions such as Solar, Wind, Hydro, Waste to Energy and Battery Energy Storage Systems. We also supply traditional power generation such as Gas, and Liquid fuels.

Norwegian chemical company Yara has sold its marine technology business Yara Marine Technologies to Okapi Supply Trading Advisory, a part of the Swiss-African Okapi Energy Group. Financial details of the deal have not been confirmed.

Providing sustainable energy solutions for Africa, requires optimal utilization of logistics, Storage and Marketing. We understand the African environment, thus we know the methods and approaches to maximize the potentials of Sub-Sahara Africa.
