

Oolu solar products Peru

Who is Oolu solar?

Oolu was one of the first firms to successfully scale PAYG solar technology in the West African market. The company has grown from start-up to market leader in Senegal, Mali, Burkina Faso and Niger with operations in Nigeria. In 2021, the company raised US \$8.5 M in series B funding led by RP Global, an Austrian-based energy investor.

Why should you choose Oolu solar home systems?

Oolu's solar home systems provide households with brighter, more efficient lights and in-home chargers at a small fraction of their standard monthly energy expenditure. We replace dim, low-quality flashlights and lamps with the best technology available.

Who founded Oolu?

Oolu was founded by Nilmi Senaratna and Daniel Rosa. Nilmi was inspired after living and working in a rural region in Senegal in 2012. She saw children struggling with energy poverty, many of them studying under the light of a cell phone or with candles. In November 2014, Nilmi and Dan decided to solve the problem by creating Oolu.
