

Perpetual energy inc Bermuda

What is perpetual energy?

Perpetual Energy Inc. is a Canadian energy company focused on long-term value creation through oil and gas based exploration, development, production and marketing. Perpetual has built a spectrum of resource-style opportunities spanning heavy oil, liquids-rich natural gas and bitumen. These balance a base of legacy shallow gas assets.

Who is perpetual oil & natural gas?

Perpetual is a Canadian oil and natural gas exploration, production and marketing company headquartered in Calgary, Alberta.

What assets does perpetual own?

Perpetual owns a 50% non-operated working interest in liquids-rich natural gas assets in the Deep Basin of West Central Alberta, undeveloped oil sands leases in Northern Alberta, and Fee Title Lands in Southern Alberta prospective for helium production.

Where can I find a copy of Perpetual's consolidated financial statements?

A complete copy of Perpetual's audited consolidated financial statements, Management Discussion and Analysis ("MD&A") and Annual Information Forum for the year ended December 31, 2023 are available through the Company's website at and SEDAR+ at
