

# Phaesun solar panels U S Virgin Islands

ProSolar Caribbean is the premier solar energy company serving the U.S. Virgin Island, and we have been for over a decade. We offer a wide variety of renewable energy products and services. We can help you reduce energy costs, go completely off-grid, or both!

Carib Sun Energy is your local full service residential & commercial solar provider. When you decide to switch to solar, we take care of every step; including engineering, permits, installation and ongoing monitoring of your system performance. Solar Made Easy by CSE

Solar energy for your U.s. Virgin islands home Whether you're tired of paying outrageous amounts of money for energy each month, or you want a more reliable source of power to help you ride out the next hurricane in safety (or both!), Solar Energy can provide you with the savings and security you're looking for.

This is the 2019 list of Top Solar Contractors completing work in the U.S. Virgin Islands. The kilowatts listed as being installed in the territory reflect only kilowatts installed in the Virgin Islands in 2018.

With the growing intensity of storms in the Caribbean, resilient energy infrastructure now plays a crucial role in the Caribbean's transition to a reliable, clean power system. The Donoe solar farm in St. Thomas, U.S Virgin Islands was originally built in 2015 but sustained significant damage during the 2017 hurricane season.
