

Photovoltaic sloped roof waterproofing board accessories

What types of roof mounting systems are suitable for IBC Solar?

IBC SOLAR photovoltaic mounting systems are suitable for pitched roof and flat roof installation. For the respective roof covering such as tile, trapezoidal sheet metal, corrugated eternite, bitumen, foils, green roof or gravel, we offer perfectly matched fixings that guarantee extreme stability.

What is a flat roof solar system?

As the name suggests, the flat roof solar system is installed on flat roofs. The IBC AeroFix mounting system is easily installed on the roof without penetrating the roof. The IBC AeroFix mounting system offers secure installation with low weight and high storm resistance.

Does IBC Solar offer on-roof mounting?

IBC SOLAR offers on-roof mounting for uncomplicated photovoltaic installation. It is not only cost-effective, but is also equally suitable for new roofs as well as for existing and renovated roofs. IBC SOLAR photovoltaic mounting systems are suitable for pitched roof and flat roof installation.

What is roof-solar EPDM?

Roof-Solar EPDM is a photovoltaic mounting system used for installing solar panels on flat roofs. It is used on buildings with rubber membrane roofs.

What is a solar fix ALU membrane?

This system ensures that the integrity of the waterproofing is not compromised throughout the lifetime of the panels on a photovoltaic roof. The SOPRASOLAR FIX ALU PEDESTAL is an element of the SOPRASOLAR FIX ALU system (rigid photovoltaic system installed on top of the roof waterproofing membrane).

What is a roof solar photovoltaic?

It has a very favourable carbon footprint for this type of application because its production requires little grey energy. The Roof-Solar EPDM photovoltaic process uses 90% aluminium. This metal has many advantages including being light, strong, recyclable and highly resistant to corrosion.

Sarnatherm® ISO tapered is a sloped rigid closed cell polyisocyanurate insulation board with fiber reinforced felt facers. Sarnatherm Tapered is designed to achieve positive drainage, prevent ...

Viking Enviroclad Roofing and Deck Membrane System has also been assessed for use as a roof and deck waterproofing membrane on specifically designed or existing buildings within the following scope: subject to specific structural and ...

Photovoltaic sloped roof waterproofing board accessories
