How will QuantumScape and Powerco work together?

QuantumScape and PowerCo will collaborate on manufacturing battery cells based on QuantumScape's solid-state lithium-metal battery technology. The companies will establish a large jointly staffed scale-up team for technology transfer, co-development of production processes and related activities.

Will Powerco & QuantumScape develop a new lithium-metal battery?

SALZGITTER, Germany & SAN JOSE, Calif., July 11, 2024 -- (BUSINESS WIRE)--Volkswagen Group's battery company PowerCo and QuantumScape (NYSE: QS) today announced they have entered into a groundbreaking agreement to industrialize QuantumScape's next-generation solid-state lithium-metal battery technology.

How much does QuantumScape pay Powerco?

Subject to the achievement of technical milestones, QuantumScape will grant PowerCo a non-exclusive, royalty-bearing IP license, and PowerCo will pre-pay QuantumScape an initial royalty fee of \$130M, credited against future royalties. The license would cover the current battery platform used in the QSE-5 design.

Can QuantumScape accelerate the industrialization of lithium-metal battery technology?

QuantumScape and PowerCo, the battery company of the Volkswagen Group, have entered into a groundbreaking agreement to accelerate the industrialization of QuantumScape's solid-state lithium-metal battery technology.

Is Volkswagen partnering with QuantumScape?

SALZGITTER, Germany & SAN JOSE, Calif.-- (BUSINESS WIRE)-- Volkswagen Group's battery company PowerCo and QuantumScape (NYSE: QS) today announced they have entered into a groundbreaking agreement to industrialize QuantumScape's next-generation solid-state lithium-metal battery technology.

How will Volkswagen & QuantumScape co-manufacture batteries?

The companies will establish a large jointly staffed scale-up team for technology transfer, co-development of production processes and related activities. This agreement supersedes an earlier joint venture (JV) between the Volkswagen Group and QuantumScape to co-manufacture batteries.

Volkswagen Group and QuantumScape to co-manufacture batteries. The agreement creates a highly collaborative partnership that amplifies the companies' core competencies - QuantumScape's cutting-edge technology and PowerCo's global capabilities in industrialization and manufacturing facilities.

Powerco hat mit einer nicht-exklusiven Lizenz Zugriff auf bis zu 40 Gigawattstunden Feststoffzellen-Kapazität pro Jahr, basierend auf der Lithium-Metall-Feststoffzellentechnologie von Quantumscape. Abhängig vom technologischen Fortschritt und von bestimmten Lizenzzahlungen
