EnerSys Powersafe SBS 170F Front Terminal Telecom Battery . High Tech Battery Solutions features the EnerSys Power Safe SBS 170F front terminal telecom battery, this branding battery range utilizes unique and proven technology to provide a superior range of valve-regulated batteries (VRLA) with an extended service life in compact and energy dense configurations.

While PowerSafe® SBS battery solutions are well proven in standby applications, recent developments have focused on improving robustness in harsh environments and challenging operating conditions. Today Powersafe® SBS battery has higher cyclic performance, improved endurance at high temperature and the ability
